(i) May not exceed the amount of the Consolidation loan; and

(ii) Does not include the unpaid balance on any loan not made under Title IV of the HEA on which the borrower is in default, but may include the unpaid balance on a defaulted loan made under Title IV of the HEA if the borrower has made satisfactory repayment arrangements with the holder to repay that loan.

(6) Upon receipt of the proceeds of a loan made under paragraph (h)(2) of this section, the holder of the underlying loan shall promptly apply the proceeds to discharge fully the borrower's obligation on the underlying loan, and provide the consolidating lender with the holder's written certification that the borrower's obligation on the underlying loan has been fully discharged.

(i) *Treatment by a lender of borrowers' refunds received from schools.* (1) A lender shall treat a payment of a borrower's refund of tuition or other institutional charges received by the lender from a school as a credit against the borrower's loan balance consistent with the requirements of §§ 682.202 and 682.401.

(2)(i) If a lender receives a refund payment from a school on a loan that is no longer held by that lender, or that has been discharged by another lender by refinancing under § 682.209(f) or by a Consolidation loan, the lender shall transmit the amount of the refund payment, within 30 days of its receipt, to the lender to whom it assigned the

§ 682.210 Deferment.

(a) *General.* (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) of this section.

(ii) With the exception of a deferment authorized under paragraph (c) of this section, a borrower may continue to receive a specific type of deferment that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferment does not exceed the maximum time period allowed for the deferment.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferment period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section, the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3) Interest accrues and is paid by the borrower during the deferment period and the post-deferment grace period, if applicable, unless interest accrues and is paid by the Secretary if—

(i) In the case of a Stafford loan, the loan was determined to be eligible for interest benefits under § 682.301 when the loan was made; or

(ii) In the case of a Consolidation loan for which the application was received by an eligible lender on or after January 1, 1993, during any period the borrower was eligible for a deferment under section 428(b)(1)(m).

(4) As a condition for receiving a deferment, the borrower shall request the deferment, and provide the lender with all information and documents required to establish eligibility for a specific type of deferment.

(5) An authorized deferment period begins on the date the condition entitling the borrower to the deferment first exists, but not more than six months before the date the lender receives a request and the information and documentation required for the deferment.

(6) An authorized deferment period ends on the earlier of—

(i) The date when the condition establishing the borrower's eligibility for the deferment ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower's eligibility for the deferment is expected to end;

(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferment;

(iv) In the case of a student deferment for a Stafford or PLUS loan made to a borrower guaranteed by a guaranty agency whose student status confirmation report system includes student status reports for each borrower with a student deferment, and in

the case of an SLS loan made to a borrower for a period of enrollment that commences at the same time as the deferment, the student's anticipated graduation date as indicated on the loan application, and as updated by notice to the lender from the school or guaranty agency; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower may be delinquent, but not in default, in making required installment payments. The 180- or 240-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under § 682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (r) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(b) *Authorized deferments.* (1) Deferment is authorized for a FFEL borrower during any period when the borrower is—

(i) Except as provided in paragraph (c)(4) of this section, engaged in full-time study at a school, or at a school

that is operated by the Federal Government (e.g., the service academies), unless the borrower is not a national of the United States and is pursuing a course of study at a school not located in a State;

(ii) Engaged in a course of study under an eligible graduate fellowship program;

(iii) Engaged in a rehabilitation training program for disabled individuals;

(iv) Temporarily totally disabled, or unable to secure employment because the borrower is caring for a spouse or other dependent who is disabled and requires continuous nursing or similar services for up to three years; or

(v) Conscientiously seeking, but unable to find, full-time employment in the United States, for up to two years.

(2) For a borrower of a Stafford or SLS loan, and for a parent borrower of a PLUS loan made before August 15, 1983, deferment is authorized during any period when the borrower is—

(3) For a borrower of a Stafford or SLS loan who has been enrolled on at least a half-time basis at an eligible institution during the six months preceding the beginning of this deferment, deferment is authorized during a period of up to six months during which the borrower is—

(i) (A) Pregnant;

(B) Caring for his or her newborn child; or

(C) Caring for a child immediately following the placement of the child with the borrower before or immediately following adoption; and

(ii) Not attending a school or gainfully employed.

(4) For a “new borrower,” as defined in paragraph (b)(7) of this section, of a Stafford, SLS, or PLUS loan, deferment is authorized during periods when the borrower is engaged in at least half-time study at a school for a period of enrollment for which the borrower received a Stafford or SLS loan, unless the borrower is not a national of the United States and is pursuing a course of study at a school not located in a State.

(5) For a new borrower, as defined in paragraph (b)(7) of this section, of a Stafford or SLS loan, deferment is authorized during any period when the borrower is—

(i) On active duty status in the National Oceanic and Atmospheric Administration Corps, for up to three years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(i) of this section);

(ii) Up to three years of service as a full-time teacher in a public or non-profit private elementary or secondary school in a teacher shortage area designated by the Secretary under paragraph (q) of this section.

(iii) Engaged in an internship or residency program, for up to two years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(v) of this section); or

(iv) A mother who has preschool-age children (i.e., children who have not enrolled in first grade) and who is earning not more than \$1 per hour above the Federal minimum wage, for up to 12 months of employment, and who began that full-time employment within one year of entering or re-entering the work force. Full-time employment involves at least 30 hours of work a week and it expected to last at least 3 months.

(6) For a parent borrower of a PLUS loan, deferment is authorized during

any period when a student on whose behalf the parent borrower received the loan—

(i) Is not independent as defined in section 480(d) of the Act; and

(ii) Meets the conditions and provides the required documentation, for any of the deferments described in paragraphs (b)(1)(i)–(iii) and (b)(4) of this section.

(7) For purposes of this section, a “new borrower” with respect to a loan is a borrower who, on the date he or she signs the promissory note, has no outstanding balance on—

(i) A Stafford, SLS, or PLUS loan made prior to July 1, 1987 for a period of enrollment beginning prior to July 1, 1987; or

(ii) A Consolidation loan that repaid a loan made prior to July 1, 1987 and for a period of enrollment beginning prior to July 1, 1987.

(c) *Student deferment.* (1) Except as provided in paragraph (c)(4) of this section, to document eligibility for a deferment for full-time study or half-time study at a school, the borrower shall provide the lender with—

(i) A completed deferment application or certified loan application; and

(ii) A statement, which may be on the deferment application or a loan application, completed by an authorized official of the school certifying that the borrower is enrolled on a full-time basis, or, in the case of a deferment described in paragraph (b)(4) of this section, on at least a half-time basis; and

(iii) In the case of a deferment described in paragraph (b)(4) of this section for a borrower who is at least half-time but less than full-time, a statement from the financial aid administrator of the school or other documentation evidencing that the borrower has received, or will receive, a Stafford or SLS loan for the period of enrollment for which the deferment is sought.

(2) The lender shall consider a deferment granted on the basis of a certified loan application to cover the period lasting until the anticipated graduation date appearing on the application, unless and until it receives notice that the borrower has ceased the level of study (i.e., full-time or half-time) required for the deferment.

(3) In the case of a Stafford, SLS or PLUS borrower, the lender shall treat the certified loan application or other form certified by the school or for multiple holders of a borrower's loans, shared data from the Student Status Confirmation Report, as sufficient documentation for a student deferment for any outstanding Stafford, SLS or PLUS loan previously made to the borrower that is held by the lender.

(4) A borrower serving in a medical internship residency program, except for an internship in dentistry, is prohibited from receiving or continuing a deferment on a Stafford, SLS, or Consolidation loan under paragraph (c) of this section.

(d) *Graduate fellowship deferment.* (1) To qualify for a deferment for study in a graduate fellowship program, a borrower shall provide the lender with a statement from an authorized official of the borrower's fellowship program certifying—

(i) That the borrower holds at least a baccalaureate degree conferred by an institution of higher education;

(ii) That the borrower has been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program; and

(iii) The borrower's anticipated completion date in the program.

(2) For purposes of paragraph (d)(1) of this section, an eligible graduate fellowship program is a fellowship program that—

(i) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(ii) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(iii) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(iv) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(e) *Rehabilitation training program deferment.* (1) To qualify for a rehabilitation training program deferment, a borrower shall provide the lender with a statement from an authorized official

of the borrower's rehabilitation training program certifying that the borrower is either receiving, or is scheduled to receive, services under an eligible rehabilitation training program for disabled individuals.

(2) For purposes of paragraph (e)(1) of this section, an eligible rehabilitation training program for disabled individuals is a program that—

(i) Is licensed, approved, certified, or otherwise recognized as providing rehabilitation training to disabled individuals by—

(A) A State agency with responsibility for vocational rehabilitation programs;

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) *Temporary total disability deferment.*

(1) To qualify for a temporary total disability deferment, a borrower shall provide the lender with a statement from a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower is temporarily totally disabled as defined in § 682.200(b).

(2) A borrower is not considered temporarily totally disabled on the basis of a condition that existed before he or she applied for the loan, unless the condition has substantially deteriorated so as to render the borrower temporarily totally disabled, as substantiated by the statement required under paragraph (f)(1) of this section, after the borrower submitted the loan application.

(3) A lender may not grant a deferment based on a single certification under paragraph (f)(1) of this section beyond the date that is six months after the date of certification.

For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(B) The employer's address and phone number;

(C) The name or title of the person contacted; and

(ii) Setting forth the borrower's latest permanent home address and, if applicable, the borrower's latest temporary address; and

(iii) Affirming that the borrower has registered with a public or private employment agency, if one is within a 50-mile radius of the borrower's permanent or temporary address, specifying the agency's name and address and the date of registration.

(2) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(3) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels over qualified by virtue of education or previous experience.

(4) For the purpose of this paragraph, full-time employment involves at least 30 hours of work a week and is expected to last at least three months.

(5) A lender may not grant a deferment based on a single certification under paragraph (h)(1) of this section beyond the date that is six months after the date of the certification.

(6) A lender may accept, as an alternative to the certification of employer contacts required under paragraph (h)(1)(ii) of this section, comparable documentation the borrower has used to meet the requirements of the Unemployment Insurance Service, provided it shows the same number of contacts and contains the same information the borrower would be required to provide under the Department's regulations.

(i) *Military deferment.* (1) To qualify for a military deferment, a borrower shall provide the lender with—

(i) That the internship or residency program is a supervised training pro-

gram that requires the borrower to hold at least a baccalaureate degree prior to acceptance into the program;

(ii) That, except for a borrower that provides the statement from a State official described in paragraph (n)(2) of this section, the internship or residency program leads to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(ii) A certification that he or she is teaching in a teacher shortage area designated by the Secretary as provided in paragraphs (q) (5) through (7) of this section, as described in paragraph (q)(2) of this section.

(2) In order to satisfy the requirement for certification that a borrower is teaching in a teacher shortage area designated by the Secretary, a borrower must do one of the following:

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are

affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(3) In the case of a State in which borrowers wish to obtain certifications as provided for in paragraph (q)(2)(i) of this section, the State's Chief State School Officer must first have notified the Secretary, by means of a one-time written assurance, that he or she provides annually to the State's chief administrative officers whose schools are affected by the Secretary's designations and the guaranty agency for that State, a listing of the teacher shortage areas designated by the Secretary as provided for in paragraphs (q) (5) through (7) of this section.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. To continue to receive the deferment in a subsequent year under this paragraph, the borrower shall provide the lender with a statement by the chief administrative officer of the public or nonprofit private elementary or secondary school that employs the borrower, certifying that the borrower continues to be employed as a full-time teacher in the same teacher shortage area for which the deferment was received for the previous year.

(5) For purposes of this section a teacher shortage area is—

(i)(A) A geographic region of the State in which there is a shortage of elementary or secondary school teachers; or

(B) A specific grade level or academic, instructional, subject-matter, or discipline classification in which there is a statewide shortage of elementary or secondary school teachers; and

(ii) Designated by the Secretary under paragraphs (q)(6) or (q)(7) of this section.

(6)(i) In order for the Secretary to designate one or more teacher shortage areas in a State for a school year, the Chief State School Officer shall by January 1 of the calendar year in which the school year begins, and in accordance with objective written standards, propose teacher shortage areas to the Secretary for designation. With respect to private nonprofit schools included in the recommendation, the Chief State School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to—

(A) Teaching positions that are unfilled;

(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and

(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.

(iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE ele-

mentary and secondary teaching positions in the State, the Secretary designates those areas as teacher shortage areas.

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved, may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

(8) For purposes of paragraphs (q)(1) through (7) of this section—

(i) The definition of the term *school* in § 682.200(b) does not apply;

(ii) *Elementary school* means a day or residential school that provides elementary education, as determined under State law;

(iii) *Secondary school* means a day or residential school that provides secondary education, as determined under State law. In the absence of applicable State law, the Secretary may determine, with respect to that State, whether the term “secondary school”

includes education beyond the twelfth grade;

(iv) *Teacher* means a professional who provides direct and personal services to students for their educational development through classroom teaching;

(v) *Chief State School Officer* means the highest ranking educational official for elementary and secondary education for the State;

(vi) *School year* means the period from July 1 of a calendar year through June 30 of the following calendar year;

(vii) *Teacher shortage area* means an area of specific grade, subject matter, or discipline classification, or a geographic area in which the Secretary determines that there is an inadequate supply of elementary or secondary school teachers; and

(viii) *Full-time equivalent* means the standard used by a State in defining full-time employment, but not less than 30 hours per week. For purposes of counting full-time equivalent teacher positions, a teacher working part of his or her total hours in a position that is designated as a teacher shortage area is counted on a *pro rata* basis corresponding to the percentage of his or her working hours spent in such a position.

(r) *Working-mother deferment.* (1) To qualify for the working-mother deferment described in paragraph (b)(5)(iv) of this section, the borrower shall provide the lender with a statement certifying that she—

(i) Is the mother of a preschool-age child;

(ii) Entered or reentered the workforce not more than one year before the beginning date of the period for which the deferment is being sought;

(iii) Is currently engaged in full-time employment; and

(iv) Does not receive compensation that exceeds \$1 per hour above the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage).

(2) In addition to the certification required under paragraph (r)(1) of this section, the borrower shall provide to the lender documents demonstrating the age of her child (e.g., a birth certificate) and the rate of her compensation (e.g., a pay stub showing her hourly rate of pay).

(3) For purposes of this paragraph—

(i) A preschool-age child is one who has not yet enrolled in first grade or a higher grade in elementary school; and

(ii) Full-time employment involves at least 30 hours of work a week and is expected to last at least 3 months.

(s) *Deferments for new borrowers on or after July 1, 1993—*

(1) *General.* A new borrower who receives an FFEL Program loan first disbursed on or after July 1, 1993 is entitled to receive deferments under paragraphs (s)(2) through (s)(6) of this section. For purposes of this section, a “new borrower” is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of July 1, 1993 or on the date he or she obtains a loan on or after July 1, 1993. This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan was made.

(2) *Student deferment.* An eligible borrower is entitled to a deferment for at least half-time study in accordance with the rules prescribed in § 682.210(c), except that the borrower is not required to obtain a Stafford or SLS loan for the period of enrollment covered by the deferment.

(3) *Graduate fellowship deferment.* An eligible borrower is entitled to a graduate fellowship deferment in accordance with the rules prescribed in § 682.210(d).

(4) *Rehabilitation training program deferment.* An eligible borrower is entitled to a rehabilitation training program deferment in accordance with the rules prescribed in § 682.210(e).

(5) *Unemployment deferment.* An eligible borrower is entitled to an unemployment deferment in accordance with the rules prescribed in § 682.210(h) for periods that, collectively, do not exceed 3 years.

(6) *Economic hardship deferment.* An eligible borrower is entitled to an economic hardship deferment for periods of up to one year at a time that, collectively, do not exceed 3 years, if the borrower provides documentation satisfactory to the lender showing that the borrower—

(i) Has been granted an economic hardship deferment under either the Direct Loan or Federal Perkins Loan Programs for the period of time for which the borrower has requested an economic hardship deferment for his or her FFEL loan;

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance;

(iii) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 100 percent of the poverty line for a family of two, as determined in accordance with section 673(2) of the Community Service Block Grant Act;

(iv) Is working full-time and has a Federal education debt burden that equals or exceeds 20 percent of the borrower's total monthly gross income, and the borrower's income minus such burden is less than 220 percent of the amount calculated under paragraph (s)(6)(iii) of this section; or

(v) Is not working full-time and has a total monthly gross income that does not exceed twice the amount calculated under paragraph (s)(6)(iii) of this section and, after deducting an amount equal to the borrower's Federal education debt burden, as determined under paragraph (s)(6)(vi) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (s)(6)(iii) of this section.

(vi) In determining a borrower's Federal education debt burden for purposes of an economic hardship deferment under paragraphs (s)(6)(iv) through (v) of this section, the lender shall count only the monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been owed on a Federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower's actual repayment schedule or the actual month-

ly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment. The lender shall require the borrower to provide evidence that would enable the lender to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (s)(6)(vi) of this section.

(vii) For an initial period of deferment granted under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as defined in paragraph (s)(6)(ix) of this section.

(viii) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as defined in paragraph (s)(6)(ix) of this section, and a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(ix) For purposes of paragraph (s)(6) of this section, a borrower's total monthly gross income shall be the gross amount of income received by the borrower from employment (either full-time or part-time) and from other sources.

(x) For purposes of paragraph (s)(6) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.
